|-------------------------|--|---|
| Children's Yoga | We make yoga and mindfulness fun for kids! It's filled with games, songs, stories, imaginative play and activities that engage children and give them the tools to feel calmer, happier and more peaceful inside! |     |
| Restorative Yoga | In this tranquil space, we embark on a profound exploration of our energy centers and chakras, unlocking the potential to release stored energy and promote a healthy work-life balance. Through a carefully curated blend of gentle stretches and opening postures, we create space for healing and restoration. Each movement is designed to encourage a profound sense of relaxation and release, allowing tensions to melt away and energy to flow freely throughout the body. Join us in our Restorative Yoga class and experience the profound benefits of deep relaxation, energy alignment, and emotional balance. |     |
| Hike the Hill | The Bē Health Navigator will incorporate stretching and other exercises into this 2 mile hike to the hill to enhance your overall physical, emotional and social well-being. Designed for all fitness levels, just meet the Bē Health navigator at the Outfitters Building for this group activity on the St. Joseph's/Candler walking trail. |     |
| Kids Camp | Bē Health is offering a very unique, fun and engaging camp experience. The aim of activities is to help children gain a better understanding of health and wellbeing through group Fitness, Mindfulness and Nutrition FUN. Children will participate in Children's Yoga, Mindfulness Activities & Trail Walks, Generation Pound and other themed activities, including a nutritional activity & snack. The camps are staffed by Dietitians, Certified Fitness Trainers and Health Educators. |     |

All classes except Hike the Hill will be held at the St. Joseph's/Candler Heartwood Campus located at 3866 Belfast Keller Road. Classes with no registered participants will be canceled 24 hours prior to the event.

The elements of well-being can be broken into 4 main buckets: physical, emotional/mental, spiritual, and social/societal. All of these elements of well-being are important attributes to the human condition, and developing programming around these elements within the community will help residents enhance all or specific elements they would like to focus on.
